Transport Canada Continuing Airworthiness Governance

- Transport Canada (TCCA) has multiple layers of governance on the A220 Program:
 - **Weekly:**
 - AWOR Section Chief and TCCA Manager telecon to review risks and issues
 - **Monthly:**
 - AWOR and TCCA teams telecon to review the status of open actions
 - **Quarterly:**
 - AWOR and TCCA teams, full review of all open projects and fleet data, face-to-face
 - **Bi-Annual:**
 - AWOR Management and TCCA Management discuss key systemic issues and process concerns
