General Information

• Raisons d’être for Delegation has not changed:
  • Delegation is a partnership balancing the needs and responsibilities of both Industry and Transport Canada
  • Delegation enhances and attempts to maximize both Industry and Transport Canada’s capabilities in certifying aeronautical products
  • Delegation reflects Transport Canada's trust in the competence and integrity of the Delegate; and
  • Delegation ensures the continued public and foreign airworthiness authority confidence in the safety of aeronautical products.
# Aircraft Certification Delegates in Canada

The table below provides the number of Delegation Acceptance Authorities (DARs), Aircraft Personnel (APs), Aircraft Engineering Officers (AEOs), and Delegation Acceptance Officers (DAOs) for different regions in Canada. The grand total is also included, along with a note about a few dual authorizations.
