

**Anita Pawluk, CEO, RaceRocks**

Anita Pawluk (*she/her*) is an experienced entrepreneur and owner of successful startup companies in diverse fields such as technology, clean energy, construction and storage. Since co-founding RaceRocks in 2010 Anita has led the certified Indigenous company to be recognized as a leading high-tech firm delivering Technology Enabled Learning (TEL) and digital training solutions to the defence and aerospace industries. She is a natural leader who has been recognised within the tech sector with the ViaTec “Technology Leader of the Year,” in 2018 as well as, “Tech Company of the Year,” in 2017 and “Employer of the Year” in 2022. She is the driving force behind the company’s diversity, inclusion and equal opportunity culture.
