

Together We Are Better

About Us

As the voice of aerospace in Canada, the Aerospace Industries Association of Canada (AIAC) works and determinedly advocates for the Canadian aerospace industry, helping strengthen and enhance our industry's position in the global aerospace value chain.

Becoming a member of AIAC means you have **unparalleled access and opportunity to influence** – a unique benefit we call the **AIAC Advantage**.

- ✓ Small Businesses

Priorities & Core Values

Industrial Aerospace Strategy

Developing and implementing an industrial aerospace strategy to advance Canada's aerospace sector both domestically and internationally.

Innovation, Talent & Skills

Mobilizing Canadian talent and skills, and fostering a pool of professionals to position Canada as a hub for aerospace innovation.

Disruption & World-Class Ideas

Support for preserving and commercializing intellectual property, domestically and internationally, enabling the industry to adapt to technological advancements.

Collaboration

Fostering partnerships with key stakeholders to enhance innovation, growth, and competitiveness within the Canadian aerospace industry.

Excellence

AIAC delivers unparalleled value, fostering innovation to enhance Canada's distinct global competitive advantage.

Sustainability

Whether championing a shift towards net-zero emissions, embracing diversity and inclusion, or aligning with global imperatives, AIAC helps preserve the industry's relevance for generations.

Together We Are Better

Your trusted partner, helping you navigate aerospace policies and Canadian regulatory environment

AIAC is committed to working with our members and the industry, advocating for Canada's world-class aerospace capabilities and fortifying our position in the global aerospace value chain.

Helping forge relationships to grow and develop your business, and market your products and services.

Exclusive access and opportunity to network with and contribute to AIAC's National Committees, Member Coalitions and Board of Directors to help shape regulation, legislative policies and AIAC's mandate.

Dedicated and responsive Member Services Team

Access to personalized support and time-sensitive assistance on issues related to Regulatory and Legislative concerns from your dedicated team at AIAC.

Exclusive discounts and Opportunities

Premium discounts on AIAC Events including tradeshow, sponsorship and registration for both ADSE and the Canadian Aerospace Summit.

Access to funding through the CanExport Program to help elevate your company visibility at important events around the world, including opportunities to be part of trade missions and delegations to emerging key markets.
