

Patrick Thauberger - Director of Airborne Mission Systems - General Dynamics Mission Systems-Canada

Patrick Thauberger joined General Dynamics Mission Systems-Canada in 2019 following a 32-year career in the Royal Canadian Air Force, where he amassed 3500 flight hours in ASW and Maritime operations. Along with several deployments and strategic staff positions, he culminated his flying career as Wing Commander of 14 Wing Greenwood, leading Canada's Long Range Patrol Force.

With General Dynamics, Mr Thauberger led Canada's Aurora Program, comprising the Block IV upgrade, ground facilities & trainers, and ISS. Currently, Mr Thauberger is Director of Airborne Mission Systems, where he and his team are continuing to innovate C4ISR solutions, and working with Canadian and International industry partners to deliver the next generation of Anti-Submarine and Multi-Mission capability for manned and remotely operated platforms.
