**GEC Aviation Inc.**

Daniel Verreault was appointed to his current position on April 27<sup>th</sup> 2003. He is responsible for the military business of GE Aerospace in Canada, including growing the GE Canadian industrial activities in the country to offer high quality Industrial & Technological Benefits and Value Proposition proposals to the Canadian Government.

Daniel is a former Director of the Air Investigations Branch of the Transportation Safety Board (TSB) of Canada. Prior to joining the TSB he was Vice President Defence, Regulations and Small Business at the Aerospace Industries Association of Canada and a registered Lobbyist.

Daniel spent 10 years in the Armed Forces (RCAF) as a Commissioned Officer and an Aerospace Engineer, and 13 years in the Aircraft Certification Branch of Transport Canada. Daniel is a past President of the Canadian Council of Professional Engineers (now Engineers Canada), and the first Executive Director of the Canadian Aviation Maintenance Council (now CCAA). In 2015, he was appointed Deputy Head of the Canadian delegation to the NATO Industry Advisory Group, a CNAD sponsored industrial group.

Daniel has a Bachelors Degree in Mechanical Engineering and a Masters Degree in Public Administration from Carleton University. He is married to Wendy and they reside in Ottawa. They have four children and ten grandchildren.

Spring 2025.
