

## **Bryan Akerstream – Aviation Executive**

After obtaining an Honours Bachelor of Commerce degree from McMaster University in 1989, Bryan joined the RCAF and served in various roles throughout his 20-year career as a Logistics Officer, culminating with two tours in the U.S.A., first as Project Lead with the Management Sciences Division at Air Force Material Command HQ in Dayton Ohio, then as Logistics Design Integration Lead for the Joint Strike Fighter Program Office in Washington, DC.

In July 2007, Bryan retired from the RCAF and joined KF Aerospace to assist with the introduction of a new Enterprise Resource Management Planning (ERP) software program designed to deliver efficiencies to KF's business to allow for future growth. Through successive promotions, resulting in his current role as Vice President of Business Development, Bryan maintained a focus on growing KF's business. As a key member of KF's Executive Team, Bryan is responsible for identifying, pursuing, negotiating and implementing growth opportunities across all KF revenue streams. In this role, Bryan has gained significant experience in successful aircraft maintenance, aircraft acquisition and leasing, military pilot training, and passenger and cargo operations opportunities.
