

Brian M. Love

President and Principle
Field Aerospace

Brian Love is a growth driven aviation executive with extensive experience in international sales, contract negotiations and business operations. Brian is a trained lawyer who practiced corporate commercial law prior to joining the Contracts department at Bombardier Aerospace in 2000. In 2005, he became the Director of Legal and Corporate Contracts at Field. Brian was Vice President of Operations in 2008, responsible for engineering, production, procurement, program management and contracts teams, and Chief Commercial Officer in 2012. Brian's role in 2014-2017 was Chief Operating Officer of Field's Canadian multi-site aircraft modification and manufacturing operation. In 2018, Brian became Chief Commercial Officer-Global, providing business development, commercial and legal support to the Canadian and US organization. In June 2022, Brian promoted to President of Field Aerospace Canada, overseeing all Canadian operations. In January of 2025 Brian became President of Field Aerospace Group. Brian has a BBA and LLB from the University of New Brunswick. Brian was appointed to the Board of Governors of the University of New Brunswick in April of 2024.
