

**OCTOBER 28-29, 2025**  
ROGERS CENTRE, OTTAWA, CANADA

Proudly hosted by

Support a unique forum about new technology, policy and certification issues.

**The Transport Canada Delegates Workshop aims to improve the quality of aircraft certification in Canada through communication, education and cooperation.**

The workshop enables the sharing of new technology, policy and certification issues and provides a forum for industry and government personnel to jointly address current issues and objectives. It is a unique opportunity to strengthen the essential teamwork between the Canadian aerospace industry and Transport Canada by promoting the exchange of information with our Delegates.

The graphic for the workshop title features a series of horizontal red bars of varying lengths on the left, followed by the text "2025 TRANSPORT CANADA CERTIFICATION AND DELEGATES WORKSHOP" in a bold, white, sans-serif font. A small red maple leaf is positioned above the year "2025".

# 2025 TRANSPORT CANADA CERTIFICATION AND DELEGATES WORKSHOP

Coinciding with the  
**2025 Canadian Aerospace Summit**
