

Biography of Mr. Carl Kumpic

Vice-President Defence and Government Programs

Carl Kumpic is a senior aerospace executive with more than 35 years of leadership experience across Canada's civilian and defence aviation sectors. A graduate engineer

with an MBA, he has held senior roles in flight test, engineering, operations, and business development with major global aerospace organizations including Bombardier, Bell Helicopter, Rolls-Royce, IMP Aerospace & Defence, Chorus Aviation, and Voyageur Aviation Corp.

Mr. Kumpic currently serves as Vice-President, Defence & Government Programs at Voyageur Aviation Corp., where he leads strategic growth in the Defence and Special Mission Aircraft market and advances sovereign Canadian aviation capability in support of national defence and security priorities.

He is an active contributor to Canada's aerospace and defence governance community, serving as a long-standing member of the **Canadian Association of Defence & Security Industries** (CADSI), former Chair of the Board for the **Atlantic Canada Aerospace & Defence Association** (ACADA), a current Board Member of the **Aerospace Industries Association of Canada** (AIAC), and Vice-Chair of the **Ontario Defence Association** (ODA).
