

Stu McIntosh
Executive Vice President & COO
Cascade Aerospace

Stu is the Executive Vice President & Chief Operating Officer for Cascade Aerospace. Stu has been with Cascade since 2011 and has previously served in the roles of Vice President, Operations and Vice President, Programs. As the senior executive at Cascade, Stu is accountable for the overall leadership of Cascade Aerospace and the effective delivery of products and services to Cascade's broad Customer base.

Prior to joining Cascade, Stu served for twenty-one years as an Aerospace Engineering Officer in the Royal Canadian Air Force, with assignments across Canada and overseas. Following his time with the Air Force, Stu spent 5 years with Bombardier Aerospace, where he led Bombardier's participation in the NATO Flying Training in Canada Program.

Stu holds a Master of Science degree in Aviation Systems from the University of Tennessee, a Bachelor of Science degree in Physics from Royal Roads and is a Flight Test Engineer graduate of the Empire Test Pilots' School. He is married to Darlene, and they are the proud parents of two enterprising young men.
