

Michael Nault

Vice President and General Manager
Bell Textron Canada

Michael Nault is the Vice President and General Manager of Bell Textron Canada, with over 20 years of experience in the aerospace industry. Throughout his career, he has held various roles at Bell and other Textron business units in Canada and in the United States. Michael holds a bachelor's degree in mechanical engineering from École Polytechnique de Montreal and has been recognized several times for his contributions to the company's successes.

He currently serves as Chair of the joint Board of Aéro Montréal and Espace Aéro, and as board member of the Aerospace Industries Association of Canada.
